

Price River Distribution System Meeting

February 7, 1973

Meeting conducted by Donald C. Norseth.

First order of business was to correct some of the addresses on the assessment role.

Minutes of last year's meeting were read by John Bene. Accepted as read.

Financial statement read by Kenward H. McKinney. Accepted as read.

The 1972 Commissioner's report was given by Dave Rowley. Report was discussed and accepted. An application was submitted for 1973 Commissioner's job by Dave Rowley. Terms of the application were discussed and accepted.

The 1973 budget was then set at \$4,575.

Scofield Exchange Policy was given by Kenward H. McKinney.

The adjudication of the Price River drainage area and the Proposed Determination was explained by Harold Donaldson, Adjudication Engineer for the Division of Water Rights.

Lyle Bryner had some information on the snow survey report. The survey shows slightly lower than last year but above the long time average.

Storage in the Scofield Reservoir at this time is 22,750 acre-feet.

Meeting adjourned at 1:00 p.m.

A handwritten signature in dark ink, appearing to be 'MG' or similar, located at the bottom right of the page.
